from the pastor...

Why Love God?

Jesus said the greatest commandment was to love God with all that we are. Why is that important? If we truly love God with all that we are, then we will live each day wanting to honor and to serve God. Our entire way of life will be determined by our love for God. We will become genuine servants of God.

Bibles For First Graders

On Sunday night, September 11, we will present a copy of God's Word to each of our first graders. This is a special moment as the boys and girls get excited to have their new Bible.

Sunday School News

In going through the Book of Judges recently, I was again reminded that when we focus our attention on ourselves, we make a destructive mess out of everything. The main thought that keeps coming up is that every man did what was right in his own eyes. The people became very selfish. Morality was whatever they wanted it to be; truth became relative, and almost every story ended in disaster. It reminded me of the conditions in America today. The biblical account and lessons are there to prevent us from making the same mistakes. If we fail to learn from them, we are doomed to the same disasters. Study, learn, and live! -Russ
