Committed To Reach People

Reaching new people for Bible study through Sunday School is a team effort. If every class will make a commitment to enroll new members, we can reach a lot of folks for our Lord. As a class, will you please bath this work in prayer so we can do what Jesus taught us to do. Thank you for your commitment.

A Good Investment

Giving money to the Lord's church is a good investment. When we tithe our income to the Lord, we are being obedient servants. We are being faithful to the Word of God. We give so that the Lord’s Work can be accomplished.

Sunday School

Dr. Bush has challenged our Sunday School directors to work under the power of the Holy Spirit to enroll 5 new Sunday School members in each department during the next two months and to reactivate 2 inactive members. If we yield ourselves to God's Spirit, we can and will accomplish this together. I want to challenge you to make sure you are doing all that you can do to enroll new members and invite people to Bible study. Please pray for these efforts.
