Appreciation For Veterans

We will never be able to express enough gratitude for the men and women who have served in the military. Today we want to recognize and honor our veterans and their families.

Why Have Pledge Day?

Our Finance Committee works hard to prepare a budget to help us do the Lord's work. They do an excellent job so our budget becomes a tool for the ministry of the church. In order to know we can do the Lord's work, we have pledge day to make an intentional commitment of our support. Together, as we bring our pledge cards on Sunday, November 18, we can share in the success of God's work. Thank you for your commitment.

Thanksgiving Service—November 18

Heather is preparing a beautiful service for Sunday night, November 18, for us to praise God for his rich blessings.

Now It's Time!

You have done such an incredible job with the Operation Christmas Child shoeboxes! Let's finish strong now by bringing in the rest of the 500 boxes this Sunday! To God Be the Glory!

Sunday School Contacts

Keeping up with folks is so important in our Sunday School work. I hope that you are making regular contacts with your class members and prospects. Checking up on people reminds them that you care about them. Thanksgiving and Christmas seasons are extremely busy, but we must make the effort to check on folks! Let them know that we care. See you this Sunday in Sunday School!

Thank You

Dear Dr. Bush and Church Family,

Walt and I have never felt so loved and cared for as we did during his recent lung diagnosis from the youth through the adult members of our church. Our hearts are filled with gratefulness for each person and class that reached out to us with so much compassion and offerings of prayer. God's mercy and healing power continues to sustain us as Walt follows his treatment plan.

In Christ's love,

Kim & Walt Corcoran
