## Education Corner ...

### Reaching Others

Steve Green put it best when he penned the words to the song "People Need the Lord." We meet people every day who don't know our Jesus. Their lives are empty, filled with fear and silent cries. Have you invited someone to your class this year? If not, please allow this to be one of your goals each week. This is what Jesus taught us to do. People really do need the Lord, and we are called to take His light.
