The WORD About COVID-19

If you are sick and tired about Coronavirus, here is the best medicine. Read what God's Word has to say about it in Psalm 91. I could spell it out here, but I want you to dig it out for yourself. God is our Protector, our Refuge, and our Fortress. He has the answer for deadly pestilence. We will never exhaust the protections that God provides for us, but we may not know about them unless we get in His Word and find them. Join us this Sunday in Bible study! Russ

Sending Hope

That is the theme for our Annie Armstrong Easter Offering for North American Missions this year. As believers we are called to send the hope of the gospel to all people. There are over 273 million people in North America who do not know Jesus Christ. The need is great. We can send hope by giving to the Annie Armstrong Offering beginning this Sunday. All the money goes to equip our home missionaries to share the gospel. Our goal this year is \$10,000. Please giving generously.

Thank You

Dear Christian Friends,
 If you have never been on the receiving end of prayers, food, phone calls and visits, you can't possibly know the impact it makes on both the one who is ill and the caregiver. Thank you so much for each time you thought of us and each prayer that was lifted up to the Father. Dan and I are blessed to belong to a praying church and to know that the God who created us is able to heal us. Thank you for all you have done.

In Christ,
 Patsy & Dan Farmer
