

March 17, 2020

Dear Church Family,

We are surely in uncharted waters right now in our country. Everyone is having to make significant adjustments because of this virus.

Therefore, we will **not have any planned activities at the church through March 31**. That means we will not have morning worship March 22 and 29. I am deeply sorry about this but based on the best medical information we have received, it is the right thing to do. The office will be open each day as far as we know now. We want to do our part for the next 15 days to deal with this crisis. We will continue to monitor the situation closely and provide updates through our website, Instagram, and text messaging.

It is truly urgent for us to pray fervently wherever we are for the Lord's care and protection. God's grace is always enough!

Sincerely,

Ken Bush

P.S.

We encourage you to be faithful with your giving during this time. Your continued financial support allows us as a church to maintain ministry needs in our community and beyond. You may give by mail or by dropping your contribution by the church office.
